

# DAVID CARRADINE & THE COSMIC RESCUE TEAM

David's "Cosmic Rescue Team" is pure Americana; a rhythmic synthesis of different flavors from Country-Rockin'-Blues to spacious ballads, spiced with classical overtones and psychedelic implications. You can dance to it, trance to it, or just kick back and enjoy the ride.

An alternative blend of Funk, Jazz, Rock, Pop, and Blues. Enjoy the powerful vocals and lyrics of Sharon Benson; the rock solid bass lines of C. J. III; the steady, rhythmic drumming of Leslie Daniel; and the sensitive, melodic strums of Benjamin Lein. This music is infectious.

**Friday Night, February 13, 7 - 9 PM in the La Jolla Ballroom**  
**Tickets \$35 (advance) / \$ 45 (door)**
